

Hello, I am Valerie @MsBisOnline. I am an ELA teacher from New Orleans, LA

Here is a link to my blog with today's resources.

<http://bit.ly/TextandTech>

Here is a link to a Livebinder of Literacy Strategies and Tech Integration resources <http://bit.ly/CLOSEread>

This Livebinder has more information about Tech Integration

<http://bit.ly/30students>

Here are some of the resources that were shared in the chat room. Thanks do much for contributing to the discussion.

great book I read recently is Comprehension Through Conversation especially at the elementary level. Highly recommend it for small group instruction and what conversations need to sound like to get kiddos thinking on a deeper level
